Dear Parents/Guardians

## **School updates 2023/02 (Sec 4E)**

### **1. Target Setting and Assessment Matters**

We guide Crestians in setting realistic targets for all subjects to help them realise their academic potential. Your child/ward has set his/her targets and recorded in his/her CREST Journal to track his/her test/examination results. While the Subject Teachers work with your child/ward to bridge the learning gaps and work towards the achievement of the targets, we appeal to you to review these targets with your child/ward after each assessment. Your close monitoring and timely guidance and support given to your child/ward will go a long way towards helping him/her achieve his/her targets.

To help you better monitor and support your child/ward's learning, the overall assessment plan detailing the various weighted assessment and examinations is attached in **Annex A**. Depending on subject, the weightings for WA may differ and can be carried out in various modes, e.g. class test, group project, practical test, coursework. The Mid-Year Examination has been removed to provide more time and space to enhance the holistic development of your child/ward and their intrinsic motivation to learn for life.

The schedule for Term 1 Class Tests is available on the school website for your reference. We seek your support in supervising your child/ward in his/her revision so that he/she is fully prepared.

As class tests are part of the overall assessment, the following protocol is adopted:

- (a) If your child/ward is sick and is unable to sit for the class test for that day, a Medical Certificate from a doctor is required. Otherwise, the child/ward will be considered to have been absent and awarded a zero mark for that paper.
- (b) Any student found cheating or attempting to cheat will be given a zero mark for the subject and may be barred from the rest of the class tests. Students who commit or attempt any acts of dishonesty, support such acts of dishonesty, or communicate or attempt to communicate during any part of the class test, will fall into the same category. Further action will be taken in accordance to the student handbook.
- (c) Any student who does not observe the rules for presentable appearance (school uniform, shoes, hairstyle, and fingernails) may be barred from sitting for the class test, and thereafter awarded a zero mark for the class test.
- (d) Access arrangement is only available for examinations, and not class tests, so as not to simulate examination conditions which may create anxiety for students.

We will provide updates of your child's/ward's academic performance via Continual Assessment (CA) report, Semestral Assessment report, and the Subject Teachers where appropriate. The first CA report will be issued in early Term 2.

### **2. Cancellation of CCA training**

There will be no training for CCAs on **Thursday, 9 March and Tuesday, 21 March 2023**. Students will be dismissed from school after their lesson as stated in their timetable to allow them to prepare for the cheering competition and level camp respectively. CCAs which may have trainings on these 2 days due to competitions will issue separate information form to notify the students involved and the dismissal time.

### 3. Annual Cheering Competition

The objective of the annual Cheering Competition is to build and strengthen camaraderie amongst the students and their Home Tutors and to foster a sense of school spirit and values in them.

The students will attend their usual lessons on **Friday, 10 March** in the morning. The Cheering Competition will then take place from 2.15 p.m. to 5.00 p.m. in the School Hall.

### 4. Secondary 4 and 5 Level Camp

The school will be organising a 3-day Motivational and Study Skill Camp is compulsory for all Secondary Four and Five students from **22 March to 24 March** in the school. We hope that by scheduling the day camp at the start of Term 2 will prepare our students well for the new term and encourage them to stay focused and motivated towards continuous learning.

1	Objectives	a) To increase student's sense of self-worth, self-esteem and confidence. b) To help students embrace positive mind-set and perseverance when faced with challenges so as to achieve and maintain peak performance in different areas of their lives. c) To equip students with study skills and time management strategies to be more effective in their academic learning.
2	Reporting and Dismissal Time/Venue	Non-residential Camp • Reporting time, by 7.20 p.m., for all 3 days. • Dismissal from school on 22 and 23 March, to be shared later • Dismissal from school on 24 March at 12.30 p.m.
3	Remarks:	a) Medical certificate is required if your child is absent for any day of the camp. b) There will be a separate briefing for your child/ward on the camp and safety matters during assembly.
