**What is the 2023
MOE-OBS Challenge
Programme?**

A Holistic Education

- Develop **well-rounded** individuals
- Outdoor Education (OE) provides **rich learning experiences** outside the classroom and helps our students to develop holistically, building up their **resilience and ruggedness**
- **Authentic learning experiences** help our students to develop 21st century competencies as well as competencies for **sustainable, active and healthy living**

Outdoor Adventure Learning Experiences for all

Lower Primary	Upper Primary	Lower Secondary	Upper Secondary
Outdoor Education in Physical Curriculum			
Active and healthy lifestyle Social and emotional competencies			
Programme for Active Learning (Outdoor Education)	1 Outdoor Adventure Learning (OAL) camp	1 Outdoor Adventure Learning (OAL) camp	MOE-OBS Challenge Programme
Social and emotional competencies Resilience, ruggedness and social cohesion			

Outdoor Adventure Learning

1. As part of the SG United message of ‘Together, We Can Brave The New’, Singaporeans are encouraged to stay strong together.
2. Outdoor Adventure Learning (OAL) experiences provide opportunities where students learn to navigate and “brave the new” together by:
 - a) building camaraderie through working together in unfamiliar yet authentic situations;
 - b) be resilient, have empathy and maintain a positive attitude when faced with adversity
1. Through overcoming challenging obstacles with their peers, participants learn that it is possible to be innovative and to adapt despite the constraints posed by the pandemic.

2

**What is the OBS
Course about?**

“In time to come,
OBS will be a rite of passage and a shared
experience for all young Singaporeans,
regardless of race, religion, or background.”

———— PM Lee Hsien Loong ————

My OBS Journey

A Rite of Passage, A Shared Experience

The MOE-OBS Challenge (MOC) programme offers a unique opportunity for the Secondary Three Students. As part of the National Outdoor Adventure Education Masterplan, the MOC programme seeks to develop ruggedness, resilience and build cohesion amongst youths. During the OBS course, students undergo a shared Outdoor Adventure Learning (OAL) experience and are provided opportunities to learn to work together in new, challenging, and authentic situations with their peers to overcome various challenges.

- **Do affirm** your child's effort to make positive changes

DON'Ts

- **Do not pack** your child's bag for him/her
- **Do not create anxiety** with assumptions
- **Do not frighten** your child with "horror" stories

What advice can I give my child to help him/her have an **enriching OBS course**?

Participate actively

Immerse himself/herself in the experience and environment

Be selfless, supportive and encourage his/her teammates

Make responsible decisions

How can I help my child to learn from his/her experiences **after the course?**

1. **Reflect** with your child on his/her **progress**
2. **Encourage** your child to **share** his/her **experiences**
3. **Acknowledge** your child's **feelings/accomplishments**
4. **Celebrate** his/her **success**
5. **Talk** about areas that **didn't go well**
6. **Encourage** your child to **share his/her feelings** on achieving or not achieving a goal

7. **Reflect** with your child on **lessons learnt** (both positive and negative experiences) during the course
8. **Help** your child to **apply what they have learnt** in daily life
9. **Affirm** your child's effort to make **positive change**
10. **Help** your child to **set new goals** and work towards achieving them
11. **Encourage volunteerism** and provide opportunities for your child to **contribute to society**

“There is more in us than
we know.
If we can be made to see
it,
perhaps for the rest of
our lives we will be
unwilling to settle for
less.”
